

Adoptable Horses

Meet **Marita** - she was taken in by Animal Control and was 400 pounds underweight when we rescued her. She has blossomed into a really nice looking horse. She is three years old and ready for training. Her adoption fee is \$300.

Spring is an Arab cross and is two years old. He is ready to begin groundwork basics and training to prepare him for training under saddle when he is three. His adoption fee is \$300.

Horse Feathers Equine Rescue, Inc.

Our purpose is to provide a humane alternative for abandoned, abused, unwanted, neglected, or slaughter bound horses.

Education

Horse Feathers promotes and helps to educate children on the proper care of horses as well as provide a sense

of responsibility toward them. It is our hope that we can bring together the children and the community by providing education and preparing them for future careers in the equine industry.

Horse Feathers is committed to helping kids become better adults, and citizens, by teaching them to be more responsible horse owners.

Volunteering

We need volunteers who would like to spend time helping around the barn and also working with the horses: mucking stalls, cleaning buckets, grooming the horses, and socializing foals. We also need help with fundraising, clinics and educational programs.

Sponsorships

You can sponsor a horse at Horse Feathers and help with their care along with rehabilitation. For as little as \$20.00 a month (although any amount is appreciated) you can provide grain and hay for a horse as we look for their forever home.

Don't forget all donations are tax deductible.

How you can help

We are currently taking donations to help with hay and feed for our rescues. You can make a PayPal payment to:

plainswindrdr@gmail.com or

you can send a check to: Horse Feathers Equine Rescue Inc. and mail it to the following address:
